NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit <u>www.healthoptions.org</u> or call Member Services at (855)-624-6463. Important Questions	Answers	Why This Matters:	
What is the overall deductible?	Preferred In-Network- \$6,500 /individual or \$13,000 /family; Standard In-Network- \$7,800 /individual or \$15,600 /family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .	
Are there services covered before you meet your deductible?	<b>Yes.</b> Preventive Care (as defined in your Member Benefit Agreement). For more information see below.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> . Refer to your Member Benefit Agreement for more information.	
Are there other deductibles for specific services?	No.	None.	
What is the <u>out-of-pocket</u> limit for this <u>plan</u> ?  Preferred In-Network- \$8,500 /individual or \$17,000; <u>Standard In-Network-</u> \$9,200 /individual or \$18,400 /family		The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.	
What is not included in the out-of-pocket limit?	Premiums, <u>balance billing</u> charges (charges above the <u>allowed amount</u> ), and health care this <u>plan</u> doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.	
Will you pay less if you use a <u>network provider</u> ?	Yes. See <a href="www.healthoptions.org">www.healthoptions.org</a> or call 1-855-624-6463 for a list of <a href="network">network</a> <a href="providers">providers</a> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.

Do you need a <u>referral</u> to see a <u>specialist?</u>	This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a referral before you see the specialist.
See a <u>specialist</u> :	ii you have a <u>reterral</u> before you see the <u>specialist</u> .

All <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.

### **About these Coverage Examples:**

This is not a cost estimator. Treatments shown are just examples of how this plan might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your providers charge, and many other factors. Focus on the cost sharing amounts (deductibles, copayments and coinsurance) and excluded services under the plan. Use this information to compare the portion of costs you might pay under different health plans. Please note these coverage examples are based on self-only coverage.
